July 30, 2014 - The Watch List for the Fred Mitchell Award includes 36 Football Championship Subdivision (FCS), Division II, III, National Association of Intercollegiate Athletics (NAIA) and National Junior College Athletic Association (NJCAA) collegiate place-kickers that were nominated by their colleges for excellence on the football field and in the community.

The Award’s Selection Committee Chairman Chris Kearney said, “These place-kickers are impressive on the football field and off the field representing their schools, their football teams, their conferences, their communities, their families and themselves. We look forward to following their accomplishments during the next few months. Of the 36 kickers, 21 led their team in scoring last season and 12 finished second on their team in scoring so there is a lot of scoring power returning this season.” The Watch List includes place-kickers from more than 750 eligible colleges. Fred Mitchell said, “It is a pleasure to include these fine young men on the Watch List for this Award, which is celebrating its sixth year in 2014. We are delighted to recognize them based on outstanding performance in the community and expectations going into the 2014 college football season. It is also a thrill to see so many familiar names on the Watch List, including 13 nominees and two place-kickers that were among the top ten for the Award last season.”

The breakdown of the 36 place-kickers is as follows:

- Collegiate Division – 7 FCS, 12 Division II, 12 Division III, 3 NAIA and 2 NJCAA
- State – the place-kickers play at schools located in 24 different states
- Year – 16 Seniors, 11 Juniors, 9 Sophomores
